Thank you for your gift to PAWS Chicago! Your generosity has a direct impact on homeless animals. Thanks to you, they truly do get a second chance at life.

The Proof Is in the Numbers
PAWS Chicago was founded in 1997. That year, 42,561 animals in Chicago were euthanized. Since starting our work, we have seen a 91% decrease in the number of pets killed in Chicago.

Supporters save lives every day.
Everything we do is aimed at generating results. Why? Because animals are dying in our community, across the United States and around the world, and they don't have to. As you know, this is a solvable problem. With the right approach, programs, and engagement from animal lovers like you, we will build No Kill communities, starting in Chicago. It's only possible because of you.

Thank you for your generous support—and for all you do for homeless animals.

Sincerely,
Paula Fasseas
Founder and Executive Chair
